The diagram shows three data structures, each represented as a rectangular box. The first box, labeled 330, contains the following text: SRC IP: 1.2.3.4, STIME: 12:15, ETIME: 13:45, and USER: JOE. The second box, labeled 332, contains: SRC IP: 1.2.3.4, STIME: 14:20, ETIME: 15:00, and USER: BOB. The third box, labeled 334, contains: SRC IP: 2.3.4.5, STIME: 11:19, ETIME: 17:20, and USER: SUE. Each box has four labels on its left side: 338a, 340a, 342a, and 344a for the first box; 338b, 340b, 342b, and 344b for the second box; and 338c, 340c, 342c, and 344c for the third box. An arrow points from the label 330 to the first box. Another arrow points from the label 332 to the second box. A third arrow points from the label 334 to the third box. A fourth arrow points from the label 336 to the third box.

Label	SRC IP	STIME	ETIME	USER
338a	1.2.3.4	12:15	13:45	JOE
340a				
342a				
344a				

Label	SRC IP	STIME	ETIME	USER
338b	1.2.3.4	14:20	15:00	BOB
340b				
342b				
344b				

Label	SRC IP	STIME	ETIME	USER
338c	2.3.4.5	11:19	17:20	SUE
340c				
342c				
344c
